Dear Parents / Carers,

As a result of the latest information from the Local Authority and Public Health Wales. It is with regret that we have to close Nursery from tomorrow until further notice. This is as a result of decreasing staffing levels due to self-isolation or social distancing in relation to Covid-19.

The rest of the school will remain open for the time being but the situation is being assessed on a daily basis.

Nursery staff have prepared learning packs to support you with your child's learning at home. These will be sent home today with your child. If your child is not in nursery today, please arrange for this to be collected or taken home with another parent if you can.

Thank you in anticipation of your continued support and co-operation.

Stay safe during this very difficult time.

Regards,

C.M. Jackson
