

The staggered start and finish times below are there to support social distancing on entering and exiting school.

As a result of feedback from parents, we have changed the siblings pick up time so parents are not waiting with children on the yard for siblings to finish. **All siblings across school will now finish at 3.15pm.** This will enable you to pick up all of your children on the yard at the same time and leave the premises straight away.

Child minders

Childminders will also be able to collect children in their care at **3.15pm each day.** Please ask your childminder to email school with their contact details so they can be added to our email system.
